

# *Justin W. Jennings*

*On September 29, 1980 Justin W. Jennings was born. His life may have been rough but that does not mean that other people's lives have to be too. I have learned a lot about him even though I was only 1 year old when he passed away, so cool.*

*One day in 1998 Justin started Penn State University. While he was there he got a signed picture of Joe Paterno, that is the coach of Penn State's football team, and it said, "To Justin Jennings". Guess what, my brother has the picture now, because he loves Penn State's football team. In 2002 Justin would have graduated Penn State University. He only had two more years left. He was such a good student because he was on the dean's list for all the years*

*that he was at Penn State. Wow that is awesome!*

*One sad day in 2000 Justin died at the age of 19 of brain cancer, everybody was shocked. Even though I did not know my uncle very well, everyone including me still loves him and will remember him FOREVER♥.*

*On September 29, 2009 the ground for his beach house was broken. The beach house is for kids with cancer and of course there families, to get away, because that is what Justin loved to do.*

*There are lots of ways for you to help out with this cause. A few of these ways are, go to [JustinJennings.org](http://JustinJennings.org) to order bracelets, all different colored sweatshirts, and different color shirts to help raise money*

*for the beach house, so please help. If you do, you are the best. Tell your friends, family and any one you know. Some of the shirt colors you can get are orange, light and dark blue, red, pink, green, and many more colors. The bracelets are gray, they say "respect the day".
